

## Lesson 4

---

# Facebook

## Tasks

---

1. Set up a Facebook profile.
2. Search for a page for Stuff4Students.
3. “Like” this page.
4. Now find 5 companies you would like to work for on Facebook and “like” their pages.
5. Find a profile for one of your classmates.
6. Name 5 key differences you can see between a Profile and a Page.
7. Go to Settings and amend “Who can see my stuff” to “Friends” rather than public.
8. Designate your classmates from the programme as Acquaintances rather than Friends.
9. Create a list called “Social Network training” and assign classmates to this list.
10. Post a status update saying “Half way through social network training”. Then change the status of this post to “Friends, except Acquaintances”.
11. Upload an image and add a tag to an image
12. Remove the tag from the image
13. Prevent “friends of friends” seeing photos. What settings do you need to use in order to do this?
